Kindly accept this letter as my notice of retirement as the CFO for Wilton and Wilton Public Schools, effective upon a date to be established by mutual agreement.

I am happy to support Wilton in full capacity, for as long as it takes, to effectuate a smooth transition as the Town and Board of Education look seek a replacement. This will include completing the audit, training staff, continuing the migration of New World to Munis, attendance at board meetings, financial overview, state reporting, etc. and any other special projects that are needed.

Thank you,
